

Mizar Gaming Mouse

SGM-4005-KLLW1

Inspired by classic, right-handed, and ergonomic styles, CM Storm Mizar is a gaming mouse with a natural contoured grip designed for maximum comfort. Outlast the competition regardless of your hand size, grip style, or handedness. The ergonomic shape encourages a firm and comfortable grip that feels more natural in your hand. It has an Avago 9800 laser sensor and up to 8200 DPI. Its 7 fully programmable buttons are arranged and tuned for intuitive operation.
