

Make It Yours.

Make of It What You Will

Designed for our MasterCase Pro 3, this MasterAccessory allows you to replace the case's partition plate with an LED lit one.

Part of our MasterAccessory line, this partition plate is made to fit into cases with FreeForm Modular System Technology that allow you to Customize, Adjust, and Upgrade. This partition plate is provided with a SATA connector for connecting it with your power supply.

If you want to modify it like for example engrave it and implement your own logo, just Make It Yours and see it shine through.

Installation couldn't be easier, simply replace your MasterCase Pro 3 partition plate, connect it to your power supply with a Sata cable, and you're ready to go.

Features

FreeForm™ Modular System – Easily customize, adjust, and upgrade your case by replacing the Partition Plate to our LED lit Partition Plate.

Colors selection – Choose between red, blue, or white LED Partition Panel.

Easy to install – This MasterAccessory is made for MasterCase Pro 3's Partition Plate replacement. Simply swap it with the default steel one, connect it with the SATA cable, and let it shine!

Make It Yours – Feel free to engrave your own logo or design to see it shine through.

Compatibility – it's compatible with Cooler Master's MasterCase Pro 3.
