MAKE OF IT WHAT YOU WILL

RGB
16.7 Million Colors

Cooler Master is breaking new ground in the way cases are designed, made, bought and used. Fundamental to this reimagining is FreeForm™.
We want you to have absolute control over how your case looks and functions, and that means giving you the option to adjust the exterior structure and aesthetic via a range of replacement panels and doors. Each choice changes the look and feel of the case, but also the flexibility of the interior layout.

The option to relocate the M.port and remove the partition plate gives you the freedom to adjust the inside of the case. Leveraging our unique clip-and-click design, FreeForm™ lets users vertically adjust or entirely remove drive cages, allowing for multiple system configurations.

FEATURES

FreeForm™ Modular System – Easily customize, adjust, and upgrade your case, inside and out.

Flexible Dual Chamber Design – Removable partition panel isolates power supply and cables for clean management.

Upgraded I/O – Four USB ports, including one 3.1 Type C, added buttons for LED strip and fan speed control.

RGB Enabled - Comes pre-installed with a RGB LED partition plate and with a Fan and RGB lighting control board.

Clear View Inside – An edge-to-edge light grey tinted tempered glass side panel gives a wide view inside your PC to showcase your masterpiece.

360mm liquid cooling support - An add-on bracket allows 360mm radiator installation in front.

Magnetic paneling - Front and top panels fit snugly with a magnetic grip.

Sound suppression - The padded front and top panels (with added plate) balance noise and airflow.

Drop-proof Side Panels - The unique bracket holds the side panels from falling down while installing or removing.

Clip-and-click - Unique components panel for drive cage adjustment.

Slip-and-Clip SSDs - Two pockets with mounting positions behind the motherboard tray.

SPECIFICATIONS & PACKING INFORMATION

| Product Number		MCM-M500M-KG5N-S00
Product Name		MasterCase MC500M
Available Color		Dark metallic grey exterior with black interior
Materials		Steel, Plastic, tempered glass
Dimensions (LxWxH)		528.6 x 235 x 548mm
Motherboard Support		E-ATX (up to 12" x 10.7"), ATX, Micro-ATX, Mini-ITX
Expansion Slots		7
Drive Bays	5.25"	2
	Combo 2.5" / 3.5"	4
	SSD	1
Drive Bay Support	5.25"	2
	Combo 2.5" / 3.5"	8 or 10 (with ODD bay removed)
	SSD	1
I/O Port		USB 3.0 (type A) x 3, USB 3.1 (type C) x 1, Audio in/out (support HD audio)
		Fan Speed & RGB control buttons
Pre-installed Fan(s)	Front	140mm x 2 (1200RPM)
	Rear	140mm x 1 (1200RPM)
Fan Support	Front	120 / 140mm x 3
	Rear	120 / 140mm x 1
	Top	120 / 140mm x 2
Radiator Support	Front	120 / 140 / 240 / 280 / 360mm
	Rear	120 / 140mm
	Top	120 / 140 / 240 / 280mm
Clearances	VGA	412mm (without 3.5" HDD cage)
		296mm (with 3.5" HDD cage)
	CPU	190mm
Cable Routing	Behind MB Tray	25mm - 35mm
Dust Filters		Top, Front, Bottom
Power Supply Support		Bottom mount, ATX
Lighting Support		RGB control Board x 1 (Cycle, Static, M/B modes) to pre-built LED partition plate Two additional connections available

EAN code	4719512065563
