Designed by Microsoft. Optimised for Windows.

Zoom your way around Windows. Microsoft PC Accessories are designed by Microsoft and optimised for Windows with specific features that give you instant access to your Start screen and more.

Microsoft Wireless
Desktop 800

Microsoft Sculpt
Comfort Mouse

Get the ultimate Windows experience.

Microsoft Sculpt Comfort Mouse

Windows touch tab takes you straight to your Windows Start screen and apps.

4-way scroll wheel for navigating up, down, left, and right. BlueTrack Technology works on virtually any surface.¹ Wireless Bluetooth® connectivity - no transceiver required. Designed to fit your hand.

Go to Start screen

Press the centre of the Windows touch tab to switch between your current app and the Start screen.

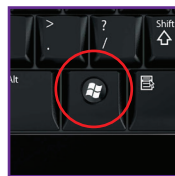

Cycle through apps

Swipe up on the Windows touch tab to cycle through open apps, or swipe down to reveal all open apps.

4-way scrolling

Tilt the wheel left and right to scroll horizontally, allowing you to navigate the Start screen or wide documents with ease.

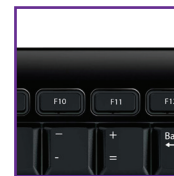

Windows Start Button

Press to launch your Start menu and search your PC or the Web if you have Windows Vista or later installed.

Windows 8 charm keys

Quickly access controls, search, share devices and settings.

Easy-access hot keys

Quickly access frequently used tools, like the calculator, zoom and audio controls by using shortcut keys.

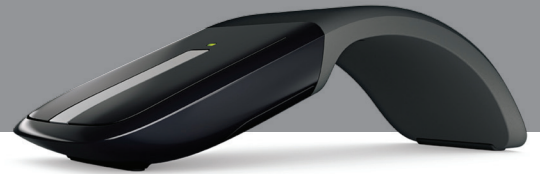

¹BlueTrack Technology does not work on clear glass or mirrored surfaces.

Take it anywhere with you.

Perfect accessories to suit your on-the-go lifestyle. Wireless freedom has never been more important. With BlueTrack™ Technology, use most of the mice on any surface, making your mobile life easier.

Microsoft Wedge Mobile Keyboard

Microsoft Arc Touch Mouse

Perfectly portable companions.

For the best computing experience, when you're on-the-go. Products that are designed to fit in with your lifestyle, delivering great performance with technology features like BlueTrack™ wherever you are.

Microsoft Wedge Mobile Keyboard

Designed for Windows 7 and Windows 8 tablet users who are constantly on the go.

The durable keyboard protects your device from scratches, but also quickly converts into a tablet stand. Wedge Mobile Keyboard uses Bluetooth® technology, allowing you to wirelessly connect to your tablet without a cable or transceiver.

Windows 8 shortcut keys

Provides convenient access to commonly used Windows 8 functions.

Multi-purpose cover

Powers down device when snapped on. Also converts into a tablet stand for an instant workstation.

Bluetooth Wireless Experience

Wireless freedom without transceiver.

Microsoft Arc Touch Mouse

Enjoy stylish, compact comfort and reliable wireless freedom at your fingertips. Curve it comfortably for use.

Smoothly glide your finger up or down the scroll pad to navigate through a page. Use it just about anywhere, even on a rough wood surface or your living room carpet, relying on Microsoft BlueTrack Technology.¹

Flexible design

Curve for comfort, flatten to pack. A perfect fit for your hand and your mobile lifestyle.

Touch to Scroll

Click. Tap. Flick. Control. Quickly brush up or down with your finger to flick into hyperfast vertical scrolling.

Power On and Off

Curve to turn on. Flatten to turn off. No button to switch. A green light flashes to show the battery is working.

¹BlueTrack Technology does not work on clear glass or mirrored surfaces.

Being comfortable matters.

How you sit, type, swipe, point, click and the PC Accessories you use can affect your daily performance and your long-term health. Ease the discomfort of computer use with ergonomically designed PC Accessories.

Microsoft Sculpt Ergonomic Mouse

Microsoft Sculpt Ergonomic Keyboard

A truly comfortable mouse and keyboard can make a huge difference.

Microsoft keyboards and mice provide superior comfort, are easy to use, and provide unparalleled ergonomic construction to help keep you healthy.

Microsoft Sculpt Ergonomic Mouse

Maximises wrist comfort while making navigation effortless. Shaped to encourage a more natural hand, wrist, and forearm posture.

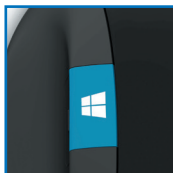

This mouse integrates perfectly with Windows 8. Simply click the Windows button for one-touch to access the Start screen.

Four-way scrolling
Scroll four-ways for greater efficiency and comfort by using the tilt wheel.

Thumb scoop
Thumb scoop helps to maintain the correct ergonomic hand and wrist position.

Windows button
Windows button for one-touch access to the Start screen.

Domed keyboard
Domed keyboard design positions wrists at a natural, relaxed angle.

Separate number pad
Separate number pad provides greater flexibility for workspace setup.

Cushioned palm rest
Provides support and promotes a neutral wrist position.

Purchasing Microsoft PC Accessories.

Volume pricing, reduced packaging.

Microsoft PC Accessories for Business provides the opportunity for greater savings by offering an easier way to purchase, sell and deploy Microsoft PC Accessory products.

These products are for sale only to Microsoft distributors and resellers for business deployment, not for retail sales.

Microsoft PC Accessories for Business products are available in single units. The for Business line offers better pricing for businesses. The new packaging makes it easier to deploy and is environmentally friendly.

For products that are available in business packaging look for this icon.
