

## The Lightest Heavyweight for a Smart Life

Phone & Tablets

Multi-angle Adjustable

Secure & Reliable

Ultralight & Foldable

### Free Your Hands

UGREEN mini desk tablet stand provides a safe and secure mount for your smartphones and tablets. A smart choice to place your mobile device in portrait or landscape mode, giving your hands a break when you enjoy videos, reading or facetime.

### Adjustable Multi-Angle

From 15° to 100°, you can adjust to your preferred angle and watch videos in a more comfortable position, easy to use.

### Foldable Design

This one-piece, foldable design makes the stand much more convenient for carrying in a bag or traveling on the go.

**Compact & Stylish**

**Potable Size**  
Size: 4.7 inches x 4.2 inches, easy to carry.

**Non-slip & Anti-skid**

**Anti-Slip**  
Well-placed silicone pads protect your iPad from scratches.

**Environmental Durability**

**Sturdy & Reliable**  
Premium solid ABS material makes it durable in usage.
